CHAS. H. PENNYPACKER,
CHIEF BURGESS.

INCORPORATED
MARCH 28TH 1799.

OFFICE OF
Chief Burgess

West Chester, Pa. Oct 27th 1903

Esteemed Friend —

Portugal Gold Coin about the size
of our double Eagle — (but somewhat
larger) minted in 1731 — fine
condition — is offered to me. —

What is your best bid thereon. I
understand the indisposition to bid
without examination, but party
woud allow it out of sight. —

The coin is just as I describe it. —
He has had it at the Mint and
says they told him its bullion value
was \$17.25 — He wants more. —

Very Respectfully
Chas. H. Pennypacker
